Al,

Belated seasons greetings!

Quite sometime ago you passed on to us the resume of [redacted] [redacted] doctoral candidate and former military officer. Since then, [redacted] received her degree, passed the bar and married a Naval officer. I am delighted to inform you that [redacted] will be joining the Agency as a Career Trainee on 16 April. Considering her impressive record to date, I am sure she will be a great asset to the Agency. As an added bonus, I understand her husband will be resigning from the Navy in the fall and is also interested in pursuing an Agency career.
